MEGHAWAT
— MERCANTILE —

About Us

Meghawat Mercantile is an emerging Indian export company focused on supplying premium quality herbal powders to global markets. We specialize in products such as Moringa Powder, Amla Powder, Beetroot Powder, Roselle Powder, Turmeric powder and Ginger powder sourced carefully from trusted suppliers and processed under hygienic conditions.

As a growing business, our focus is on building long-term relationships through honesty, consistent quality, and reliable service. We work closely with trusted processing partners to ensure our products maintain their natural color, freshness, and purity while meeting export expectations.

Our mission is to connect international buyers with high-quality Indian herbal products at competitive prices. We are committed to professional communication, timely support, and customized packaging solutions based on buyer requirements.

At Meghawat Mercantile, we believe in continuous growth, customer satisfaction, and delivering natural products with care and dedication.
